SRM University
2022 - 2026

High School
Sanjos Metropolitan School
2020 - 2022

Secondary School
Mount Guide International
2017 - 2020

HOBBIES

I'm all about the football field and the thrill of Formula 1. Anime, movies, and music? Yep, that's my jam. I bring the same dedication from my hobbies to my work.

Adaptability	██████████
Time Management	██████████
Working under pressure	██████████
Hard Working	██████████
Critical Thinking	██████████
Team Work	██████████

AYMAN HASEEB

PROFILE

As a passionate and driven student with a relentless curiosity for AI/ML, I'm excited to bring my energy and fresh perspective to your team. My journey includes a rigorous training program with Coincent Microsoft, where I successfully cleared the Microsoft AI-900 exam, showcasing my dedication and aptitude for cutting-edge technologies. Additionally, I've honed my skills in front-end web development during an immersive internship with YHills in collaboration with E-Cell IIT Hyderabad. My biggest achievements include earning recognition for my AI/ML expertise and crafting captivating web experiences, all while displaying adaptability, teamwork, and a hunger for growth.

COURSES

ARTIFICIAL INTELLIGENCE WITH PYTHON
COINCENT, MICROSOFT | NOV 2022 - JAN 2023

Successfully cleared the AI-900 exam, validating expertise in Artificial Intelligence, following completion of the rigorous AI with Python course through Coincent, Microsoft.

INTERNSHIPS

FRONT-END WEB DEVELOPMENT
YHILLS | JULY 2023 - SEP 2023

Immersive training in web development, blending creativity and technology at the intersection of Yhills. Collaborated with industry experts to cultivate skills in HTML, CSS, JavaScript, and more.
